

Summer Term 2021- Infection Control COVID-19 General Risk Assessment Form

All schools are advised to note the issues and suggested control measures in this document and then add detail specific to their school.

This is a live and active document which must be shared with all staff and reviewed on a regular basis to ensure it meets the changing environment to control the spread of the virus.

Denotes an update since the Spring Term review/additional controls to be considered.

Name and Address of the School – Newton Hall Infants' School, Langley Road, Durham, DH1 5LP	
Head teacher- Mrs Lynne Frazer	Name of Person Completing the Risk Assessment- Mrs Lynne Frazer
Current Number of Staff Employed Teaching: 7.5 Support Staff: 6	Date of assessment – <u>April 2021</u> Date risk assessment reviewed -
Current Number of Pupils on Roll- 159 Current number of pupils accessing alternative provision- 0	Year Group Bubble Sizes; Reception: 53 Year 1: 54 Year 2: 52
Additional provision being provided during the Summer Term.	
Consultation -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the Governing Body and Staff members. The Governing body of the school are to be informed of staff members and Parent/Carers concerns.	
Communication -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the whole staff team. The school has less than 50+ members and staff and to comply with the current Schools Coronavirus (COVID-19) Operational Guidance in the Summer Term 2021 and to ensure compliance with the Health and Safety Executive (HSE) a copy of this risk assessment has been placed on the school website.

School BJ	COVID-19 Risk Assessment	5 Summer Term	April 2021	July 2023	1/67

Persons covered by this assessment – **The School Community and visitors attending the school to provide support etc.**

COVID-19 is a virus which has serious effects which debilitates those who have caught it and causes immense distress both physically and mentally. The UK has suffered huge fatality rates.

The virus is thought to spread mainly from person-to-person.

- Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs, sneezes, or talks.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- COVID-19 may be spread by people who are not showing symptoms.

The order in which people are offered the COVID-19 vaccine is based on advice from the Joint Committee on Vaccination and Immunisation (JCVI). The vaccination programme for [priority groups](#) has begun in the UK.

[The COVID-19 Response - Spring 2021-Road Map has commenced in the UK.](#)

RISK RATING		Likelihood		
		Probable Occurs repeatedly, to be expected or could affect large number of people	Possible Could occur sometime or effect a few people	Remote Unlikely to occur or not many people to be affected
Impact	Major Major injury, permanent disability or ill-health	High	High	Medium
	Severe Injury requiring medical treatment	High	Medium	Low
	Minor First aid treatment	Medium	Low	Low

The school are following the guidance [Schools coronavirus \(COVID-19\) operational guidance](#) and where applicable guidance for [Early Years](#), [Further Education Colleges](#) and [Special Schools](#).

From 8 March, people in England will see restrictions start to lift and the government’s four-step roadmap offer a route back to a more normal life.

Public Health England advice systems of controls to minimize coronavirus (COVID-19) risks in school environments, the school are adhering to the twelve systems of control.

School BJ	COVID-19 Risk Assessment	5 Summer Term	April 2021	July 2023	2/67

- 1) Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.
- 2) Ensure face coverings are used in recommended circumstances.
- 3) Ensure everyone is advised to clean their hands thoroughly and more often than usual.
- 4) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
- 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
- 6) Consider how to minimise contact across the site and maintain social distancing wherever possible.
- 7) Keep occupied spaces well ventilated.
- 8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
- 9) Promote and engage in asymptomatic testing, where available.
- 10) Promote and engage with the NHS Test and Trace process.
- 11) Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
- 12) Contain any outbreak by following local health protection
