

## Newton Hall Infants' Primary School Sports Premium 2022-23

Our Sports Premium allowance for the academic year 2022-23 is **£18,560 (including carryover of £1,501 from 2021-2022)**. The premium will be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. We endeavour to see an improvement against the following 5 key indicators:

KEY INDICATORS				
<b>Indicator 1:</b> the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	<b>Indicator 2:</b> the profile of PE and sport is raised across the school as a tool for whole-school improvement	<b>Indicator 3:</b> increased confidence, knowledge and skills of all staff in teaching PE and sport	<b>Indicator 4:</b> broader experience of a range of sports and activities offered to all pupils	<b>Indicator 5:</b> increased participation in competitive sport
